

A baby is sitting on the ground in a field of greenery, wearing a striped hat and orange overalls, holding a stick. The background is a soft-focus field of green plants and brown leaves. The word "Summer" is written in a white, cursive font on the right side of the image.

# Summer

A sunny time of year calls for a sunny summertime palette. We've got golden stripes! Golden flowers – big and small! Paired with our most popular plain colours: maize, rosa and flax, there's a summery coordinating Heritage style for all of the family.

AVAILABLE OCTOBER 2023.
